Overview

The ITS helpdesk is the unified support service for Carleton students, faculty, and staff, located down the hall from the Center for Math and Computing lobby.

Services provided by the helpdesk

Computing support

The ITS helpdesk is staffed by student workers as well as several full-time ITS staff members. The ITS helpdesk will fully support college-owned equipment, including (but not limited to) setup, software installs, virus removal, and general troubleshooting. The helpdesk also supports student-owned equipment and provides drop-off service.
